General Instructions

Purpose of Form

The 1999 Form 120X may be used to amend only the 1999 Form 120 or Form 120A, as originally filed, or as it was later adjusted by an amended return, Department of Revenue correction notice, or an audit, whichever is latest.

NOTE: *Amended returns for prior taxable years must be filed on the Arizona Forms 120X for those taxable years.*

When to File

The Form 120X may be filed only after the taxpayer has filed its original Arizona corporation income tax return (Form 120 or Form 120A) for the 1999 taxable year. Generally, Form 120X must be filed within four years after the date the original return was due or after the date that the taxpayer filed it, whichever was later. See instructions below on Revenue Agent Report (RAR) or federal amended return changes.

RAR or Amended Return Changes

Any taxpayer who files an amended return with the Internal Revenue Service must file an Arizona amended return. The taxpayer must report changes or corrections of the taxpayer's taxable income by the Internal Revenue Service to the department. The taxpayer must also report changes in the taxpayer's taxable income as the result of renegotiation of a contract or subcontract with the United States to the department. The taxpayer must report the change or correction or file an amended return to the department within 90 days after the final determination of the change or correction.

Consolidated Return Election

The common parent of an affiliated group of corporations that files a federal consolidated return may elect to file an Arizona consolidated return. The common parent must make the election for taxable years beginning January 1, 1994, or later by the due date, including extensions, for filing the original return.

A taxpayer may file the 1999 Form 120X to change its method of filing to consolidated only if the 1999 Form 120X is filed by the due date, including extensions, of the taxpayer's 1999 Form 120.

Refer to the 1999 Form 120 instructions for further information regarding requirements for the election to file on a consolidated basis.

What to Attach

Attach any schedules, forms, and/or statements which are necessary to fully explain and substantiate the change(s). Attach a statement to the Form 120X that explains why the taxpayer amended its Arizona return. If the taxpayer amended its federal return, attach a copy of the amended return with all applicable schedules to the Form 120X. If the taxpayer is reporting RAR changes, attach a copy of the RAR with all applicable schedules.

Rounding Dollar Amounts

Taxpayers must round amounts to the nearest whole dollar. If 50 cents or more, round up to the next dollar. If less than 50 cents, round down.

If this corporation does not have an Arizona withholding tax number or Arizona transaction privilege tax number, leave these boxes blank.

All returns, statements, and other documents filed with the department require a taxpayer identification number (TIN). Taxpayers that fail to include their TIN may be subject to a penalty. Paid tax return preparers must include their TIN where requested. The TIN for a paid tax return preparer is the individual's social security number or preparer identification number or the federal employer identification number of the business. Paid tax return preparers that fail to include their TIN may be subject to a penalty.

The 1999 tax credit is equal to the amount of the donation(s), but cannot exceed twenty percent of the tax liability (line 24c) or five hundred dollars, whichever is higher.

A taxpayer MAY NOT CLAIM a tax credit on the 1999 tax return for a donation to the fund made with the 1999 tax return (Form 120 or Form 120A). If a taxpayer makes a donation to the fund on the 1999 tax return, the taxpayer may only claim a tax credit for the donation on the taxpayer's 2000 tax return.

The tax credit is nonrefundable and the unused portion of the tax credit may not be carried forward.

- the taxpayer is filing this return for a taxable year beginning from and after June 30, 1995.

Enter the maximum allowable credit for the taxable year, which is the lesser of ten percent of the total credit as determined by the department or the tax liability after the Clean Elections Fund tax credit (line 26(c)).

Line 28 - Payments (Extension, Estimated)

Enter the amount from page 2, Schedule D, Part A, line 6.

Line 29 - Payment With Original Return (Plus All Additional Payments After It Was Filed)

Enter the amount from page 2, Schedule D, Part B, line 6.

Line 30 - Total Payments

Add lines 27, 28, and 29. Enter the total.

NOTE FOR CLAIM OF RIGHT RESTORATION: *If the tax for the 1999 taxable year was computed under the provisions for a claim of right restoration, line 30 also includes the credit for the tax reduction for prior taxable year(s). Refer to Arizona Corporate Tax Procedure CTP 95-3 for further information. Write "ARS § 43-1130.01" and the total amount of the tax reduction for prior taxable year(s) in the space to the left of the total payment amount entered on line 30. The amount entered on line 30 is the total of lines 27, 28, 29, and the tax reduction for prior taxable year(s). Attach a schedule computing the tax reduction for the prior taxable year(s).*

Line 31 - Overpayment From Original Return or as Later Adjusted

Enter the amount of the overpayment (if any) from the original return (1999 Form 120, line 37, or 1999 Form 120A, line 28), and the total amount of any overpayments from a Department of Revenue correction notice, an amended return (1999 Form 120X, line 34), or an audit.

Line 33 - Total Due

If line 26(c) is **larger** than line 32, enter the difference. This is the amount of tax due. It must be paid with the amended return. Make the check payable to the Arizona Department of Revenue for the amount shown on line 33 and include the taxpayer's TIN on the check.

Line 34 - Overpayment

If line 32 is **larger** than line 26(c), enter the difference. This amount is the overpayment from this amended return.

Line 35 - Amount to be Applied to 2000 Estimated Taxes

The taxpayer may apply part or all of an overpayment reported on line 34 as a 2000 estimated tax payment, if this

amended return is filed during the taxpayer's 2000 taxable year. Enter the applicable amount on line 35. If the taxpayer wants all of the line 34 amount to be refunded, enter zero.

Line 36 - Amount to be Refunded

Subtract line 35 from line 34, and enter the difference. This is the net refund amount.

Schedule C – Apportionment Formula (Multistate Taxpayers Only)

Schedule C must be completed only if the 1999 Form 120X is filed to amend the apportionment ratio. If the apportionment ratio is not being amended, enter the apportionment ratio from the 1999 Form 120 or as adjusted by any prior audit or amended return, whichever is latest, on the Form 120X, page 1, line 9, in column (a) and column (c).

ARS § 43-1139 (Allocation of business income) provides that the apportionment ratio is a fraction. The numerator of the fraction is the property factor plus the payroll factor plus two times the sales factor. The denominator of the fraction is four.

Determine sales within Arizona on a destination sales basis.

Line C3(f) -

NOTE: *Multiply the amount entered on line C3(d), column (a), the total Arizona sales, by 2 (double weighted sales factor) on line C3(e), column (a). Enter the amount on line C3(f), column (a). Do not double the amount entered on line C3(f), column (b), the everywhere sales of the taxpayer.*

EXAMPLE: *The taxpayer has total Arizona sales of \$100,000 and total everywhere sales of \$1,000,000. On line C3(f), column (a), enter \$200,000 of Arizona sales. On line C3(f), column (b), enter \$1,000,000 of everywhere sales for the taxpayer.*

The sales factor ratio in column (c) of line C3(f) may, in certain circumstances, exceed 100 percent. However, since the total ratio (line C4) is divided by four, the average ratio (line C5) will not exceed 100 percent.

Line C5 -

Divide the total ratio, line C4, column (c), by four. Enter the average ratio amount here and on page 1, line 9(c). Express the ratio as a decimal carried out to six places.

NOTE: *Do not exclude a factor from the total ratio (line C4, column (c)) if the numerator of a factor is zero and the denominator of a factor is greater than zero. However, the taxpayer must exclude a factor if both the numerator and the denominator of a factor are zero. If the property or payroll factor is excluded, determine the average ratio (line C5, column (c)) by dividing the total ratio by three. If the sales factor is excluded, determine the average ratio by dividing the total ratio by two.*

Schedule D – Schedule of Payments

Parts A and B, lines 1 through 5, are used to list the income tax payments made by the taxpayer for the taxable year being amended. DO NOT include the retroactive consolidation tax payment credit or the claim of right credit computed under ARS § 43-1130.01 in this schedule.

Part A. (Extension and Estimated Tax Payments) -

List the taxpayer's extension and estimated tax payments from the original return (Form 120 or Form 120A) or from a Department of Revenue correction notice, whichever is later. If additional space is required to list the payments, attach a schedule. DO NOT include amounts paid for penalties and interest. Enter the total on Schedule D, Part A, line 6, and on page 1, line 28.

Part B. (Other Tax Payments) -

List the payment sent with the original return and all payments made by the taxpayer after the original return was filed. If additional space is required to list the payments, attach a schedule. DO NOT include amounts paid for penalties and interest or payments reported on page 1, line 28. Enter the total on Schedule D, Part B, line 6, and on page 1, line 29.

Certification

One or more of the following officers (president, treasurer, or any other principal officer) must sign the return.

Paid preparers: Sign and date the return. Complete the firm name and address lines (the preparer's name and address if self-employed). Enter the preparer's TIN, which is the firm's FEIN or the individual preparer's social security number or preparer identification number.

Interest

The Arizona Department of Revenue will calculate any interest due and will either include it in the refund or bill the taxpayer for the interest.

Obtain information and current interest rates by contacting one of the numbers listed on page 1 of these instructions.
